

Meeting Agenda

Location: 3507

Date: 10-04-27

Time: 10:00

Facilitator: Jonas Jacobsson & Christian Bergström

Participants: Jonas Jacobsson & Christian Bergström

1. Objectives (5 min)

Discuss further design of the controller part of the project.

2. Reports (15 min)

Initial construction of the controller has been done.

3. Discussion items (35 min)

Is the controller part sufficient for all reasonable extensions (networked play for instance)? Is the structure of the project sensible? Are there odd circular dependencies?

4. Outcomes and assignments (5 min)

Implement the decided upon parts and keep thinking about how to further improve the controller.

5. Wrap up

Next meeting: 10-04-29.
