

Meeting Agenda

Location: 3211

Date: 10-04-22

Time: 08:00

Facilitator: Emil Djupfeld

Participants: Jonas Jacobsson & Christian Bergström

1. Objectives (5 min)

Provide the supervisor with an update and get some feedback.

2. Reports (15 min)

View and model are fairly done.

3. Discussion items (35 min)

RAD and SDD status. Why Is RenderPanel not an extension of a JPanel?

4. Outcomes and assignments (5 min)

Add UMLs to the SDD. Start doing refactoring things, to get easier-to-understand code and a clearer separation. There is stuff that needs to be moved into the non-existing Controller.

5. Wrap up

Next supervisor meeting: 10-04-29 @ 08:30
