

# Meeting Agenda

Location: 3211

Date: 10-03-18

Time: 08:00

Facilitator: Emil Djupfeld.

Participants: Jonas Jacobsson, Christian Bergström, Lisa Hammarström, Niklas Landin.

1. Objectives (5 min)

Finding out in more detail what the RAD should contain. Finding out if our mock-up use case was done in the correct fashion. Introduce ourselves to the new group members and the group supervisor.

2. Reports (15 min)

This was our first real meeting, so there wasn't much to show apart from the RAD and one use case.

3. Discussion items (35 min)

1. We asked some questions about the RAD and received satisfactory answers.
2. We asked what to do next. Complete the RAD and produce more use cases.
3. Is our project of a suitable size and difficulty?

4. Outcomes and assignments (5 min)

1. Further development of the RAD and related design decisions are to be discussed during the next meeting with the group.

5. Wrap up

1. Next meeting planned for Monday 10-03-22.
