Time: 10:30

Facilitator: Jonas Jacobsson & Christian Bergström

Participants: Jonas Jacobsson & Christian Bergström

1. Objectives (5 min)

What has to be done next? Make sure the project is still being done in time.

2. Reports (15 min)

Nothing. Back from the weeks off.

3. Discussion items (35 min)

Who will do which part of the programming of the project.

Should we keep the simple GUI design?

Should we add something to our RAD and SDD, or are we satisfied with them?

4. Outcomes and assignments (5 min)

We will keep our initial GUI design, because it is user friendly

We are satisfied with our RAD and SDD

5. Wrap up

1. Haven't decided who does what part of the project

2. Next group meeting on Friday the 16th
