Meeting Agenda

Location: 3358

Date: 10.03.24

Time: 10:00

Facilitator: Jonas Jacobsson & Christian Bergström

Participants: Jonas Jacobsson & Christian Bergström

1. Objectives (5 min)

   Identify what needs to be done next.

2. Reports (15 min)

   Google Code group started.

   A bunch of use cases identified and written down.

3. Discussion items (35 min)

   We have to continue working on the RAD. How should the problem be divided into classes?

4. Outcomes and assignments (5 min)

   UML sketched up. Have to ask about it during the meeting with the supervisor. We have to complete the UML diagrams and start working on the SDD.

5. Wrap up

   1. UML somewhat.

   2. Next meeting on Thursday 10.03.25 with the supervisor.
